These are days you'll remember.
Never before and never since,
I promise,
will the whole world be as warm
as this. And as you feel it,
you'll know it's true that you
are blessed and lucky.
It's true that you are touched
by something that will grow and
bloom in you.

These are days you'll remember.
When May is rushing over you
with desire to be part of the
miracle you see in every hour.
You'll know it's true that you
are blessed and lucky.
It's true that you are touched
by something that will grow
and bloom in you.

These are days.

These are days you might fill
with laughter until you break.
These days you might feel a
shaft of light make its way
across your face. And when you
do you'll know how it was meant
to be. See the signs and know
their meaning. It's true,
you'll know how it was meant
to be. Hear the signs and know
they're speaking to you,
to you.

THESE ARE THE DAYS FOR HISTORY

Class History

In September of 1990, we, the class of 1994, entered Northumberland High School with great expectations of the experience to come and the many memories that we would be making. As freshmen, we had to adjust to our new surroundings and g acquainted with our teachers. For some it was a difficult task but, under the leadership of Brian Fones, we soon were settled ar ready to begin four of the greatest years of our lives. Before we knew it, it was time for Homecoming. Our homecomir representatives that year were Jennifer Kent, Donna Smith (C), Brian Fones, and Tom Moore.

Sports and academics were an important part of our class. Rusty Pittman, Fred Hall, Ronnie Shackelford, Bryan Jenkins, ar Lamont Basker represented us on the football team. On the golf team were Brian Fones, Kevin Swann, and Tyler Burgess. Bri went all the way to the state tournament that year. Stephanie Dameron, Jessica Jennings, and Lisa Stevens were the freshm players on the volleyball team. Brian Fones, Lisa Stevens, Beverly Dawson, and Jennifer Kent led us on the baseball and softb teams. On the soccer team our class was represented by Joey Sheridan and Jessica Griffin. Also that year, Jessica Jennin and Laura Redmond went to the regional tournament while on the track team.

Our sophomore year proved to be a success. By now we had settled in ready to start achieving our goals. This year we we guided again by Brian Fones. Representing us on the Homecoming Court were Jennifer Kent, Donna Smith, Brian Fones, a Donald Lipkins. We had four class members inducted into the Beta Club. They were Jennifer Kent, Laura Jones, Jessi Jennings, and Christy Brown.

As juniors, under the leadership of Jessica Jennings, we were faced with new obstacles to overcome. We were taking SAT having first thoughts of college, and preparing for the Junior-Senior Prom. Our homecoming attendants this year were Jenni Kent, Donna Smith (C), Tyler Burgess, and Brian Fones. That year our class displayed our spirit by having the best-decorat float.

Finally our senior year arrived. Everyone was busy making plans for the future. That year Joey Sheridan and Lamont Bask represented the seniors on the football team, while Brian Fones and Tyler Burgess were on the golf team. The Lady India Basketball Team had the special talents of Jessica Jennings, Laura Redmond, and Beverly Dawson. For the winter season A region player George Johnson led the boy's basketball team along with Brian Fones, Tyler Burgess, Lamont Basker, Elt Williams, Ronnie Stephens, and Bryan Jenkins. The girl's volleyball team went far with seniors Lisa Stevens, Stepha Demeron, Jessica Jennings, Beverly Dawson, and Whitney Lowery.

Senior year was also a special year for the Homecoming Court. Donna Smith (C) and George Johnson were crowned Que and King. Also represented were: Prince Brian Fones, Princess Jennifer Kent, Duke Tyler Burgess, Duchess Whitney Lowe Lord Donald Lipkins, and Lady Dimitra Mitchell.

THESE ARE DAYS FOR LAST

I, Angie Allen, leave Mrs. Christopher my ability to prove her wrong.
I, Michael J. Ball, leave to this school my seat in every class.
I, Lamont Basker, leave my friendly personality to everyone.

PARTICIPATING

These Are the Days for Poetry Alive!

In October, our school brought to us a living poetry reading . . . Poetry Alive! Two young actors, Assim Sadee and Mia Self, acted out an array of poems with the student body. Even Dr. Ruffin and a few teachers joined in the poetic affair.

The program instilled self-confidence to students and another subtle message . . . Stay In School. Poetry Alive! was educational as well as fun.

THESE ARE THE DAYS FOR CONFLICT MEDIATION

Conflict Mediation is a new program at our school this year. Its objective is for the students to help each other solve conflicts. About 30 students were selected by their peers to be Conflict Mediators. Their job is to help guide the mediating process.

To introduce the program to the student body, an assembly was held in which a conflict was staged and resolved.

THESE ARE THE DAYS FOR PROM '93 . . .

The 1993 Prom was one prom to remember. With the gym transformed into a starlit night complete with an eight-foot moon, it really was "A Night Under the Stars." Students arrived throughout the evening dressed in dazzling formal wear to dance the night away. Their only break was during the crowning of Prom King, Robbie Booth, crowned by Brian Stalnaker; and Prom Queen Heidi Estep, crowned by Melanie Butler. After the memorable prom, most students traveled by hay-ride to Robert Hundley's barn for the After-Prom Party "NHS Goes West."

These are the days for After Prom Party . . .

For three years the parents and teachers of Northumberland High School have sponsored a successful after prom party for the students. The party was held at a surprise location, a barn in the middle of Heathsville "N.H.S. Goes West" was the theme for the party which was highlighted by the students 'western attire,' cowboy boots, bandana's, the whole shabang!

The students were picked up in front of the high school and were taken on a hayride to the barn. Students participated in balloon dances, karaoke, target shooting, and musical chairs or rather musical people.

For refreshments the parents and teachers cooked hamburgers and hot dogs, and served doughnuts and cookies. Along with the good food, they had an awesome D.J., who played a variety of music. Everybody enjoyed lip synching to their favorite songs.

Come on Fred, we know you can do it.

Getting a little wild, aren't we?

THESE ARE THE DAYS FOR TRACK

The 1993 Boys Track Team proved that they were one of the better teams in region A. Led by the District's MVP Ronald Lipkins, Northumberland placed third in the region. Placing first in the region were Keith Scott (High Jump), Ronald Lipkins (800 and 1600 meter runs), and Mike Wittler (3200 meter run). "It turned out to be a very satisfying season," commented head coach Mike Stevenson.

For the past few years the girl's track team has been trying to rebuild itself. This year there were many new faces, all of which were led by senior captain Patricia Ball. Patricia captured the regional championship in the 3200 meter run with a school record time.

Many players were recognized on both district and regional levels for their successful years. Tuna Lewis and Jerod Parker were selected to the all-Region team as well as all-district 1st team. THESE ARE THE DAYS FOR CROSS COUNTR

For the cross-country team, 1993 was a season for rebuilding. Four seniors graduated from last year's squad, among them state runner-up Mike Wittler. "I had hoped to get more runners out, however, we did well with the runners we did have," commented Coach Barnes. "Pam Ball was our lone female runner. Pam started out slow but finished well with an excellent showing at the state meet. We hope to improve next season," added Coach Barnes.

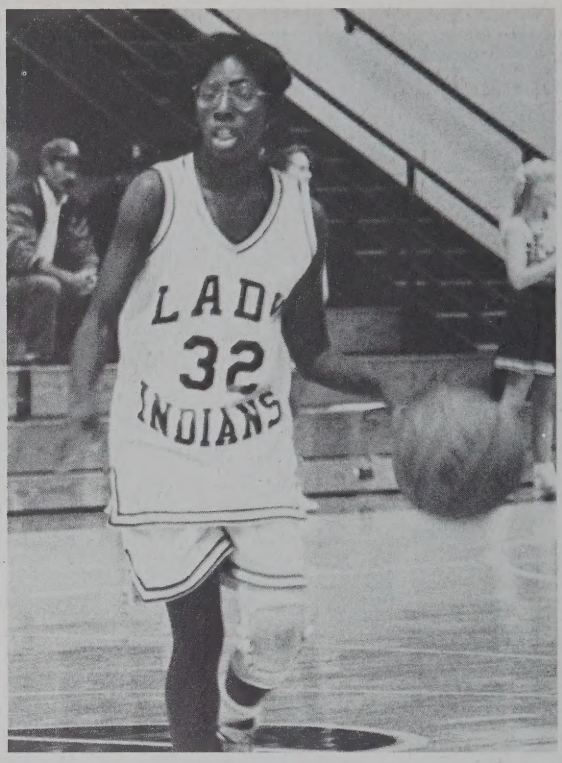
Coach Barnes, Assistant Coach Johnson, Wesley Butler, Matt Hayes, Clay Slaughter, Co-captain Adam Hendershot, Pam Ball, and Co-captain Ricky Bea.

THESE ARE THE DAYS FOR GOLF

The golf team, led by first-year coach Rick DeVivi, had a great 1993 season. The Indians were undefeated going into their match against West Point and surprisingly beat them by two strokes. This was the first time that West Point had been beaten in regional competition in eight years. Northumberland finished third in the regional competition, but Troy Hall and Brian Fones went onto state competition. Next year the entire team hopes to make it to the state competition.

Coach DeVivi, Nick Newsome, Tyler Burgess, Graydon Armsworthy, Troy Hall, and Brian Fones.

THESE ARE THE DAYS FOR THE LADY INDIANS



Though the girls were plagued by injuries this season, they were still able to fight their way into 5th place in time for the district tournament. Knees seemed particularly prone, with Jessica Jennings benched briefly early in the season for knee surgery and Laura Redmond having recurring trouble.

No matter how tough the times were, our girls never gave up. Everyone contributed a part which made the Lady Indians unique. Whether it was Jenny sinking a three-pointer, Jackie on a scoring rampage, Shannon grabbing the rebounds, Bev and Jess fouling out once again, or Kim with the gorgeous shot, the team somehow made it all come together. Congratulations to Jackie Stevens for making First Team All-District.

1993 VARSITY GIRLS' BASKETBALL TEAM — Front: Jessica Jennings, Laura Redmond, Beverly Dawson. Back: C. J. Richardson, Jennifer Stevens, Tangee Betts, Shannon Stalnaker, Jackie Stevens, Jackie Redmond, Kim Blackwell, Glen Payne, Ms. Richardson.

Jackie drives for the basket.

The Lady Indians warm up before the game.

Get the ball Jessica!

Kim takes the offensive to score another two points.

THESE ARE THE DAYS FOR FOOTBALL

Can't stop Eric!

The 1993 Northumberland Football squad had a sound season. The fans were dazzled by the first homecoming win in years. Northumberland also beat neighboring rivals Lancaster both times they faced off. They fell just short of district competition this year but are looking forward to great things next season. Many players made the All-District team including: Darryl Rice, Marc Sheridan, Lamont Basker, Troy Sebra, Landre Toulson, Thomas Curry, and Marcel Jones. The players of the 1993 squad would like to thank Coach Fenlock for his endless dedication, support, and time and wish him the best in his future endeavors.

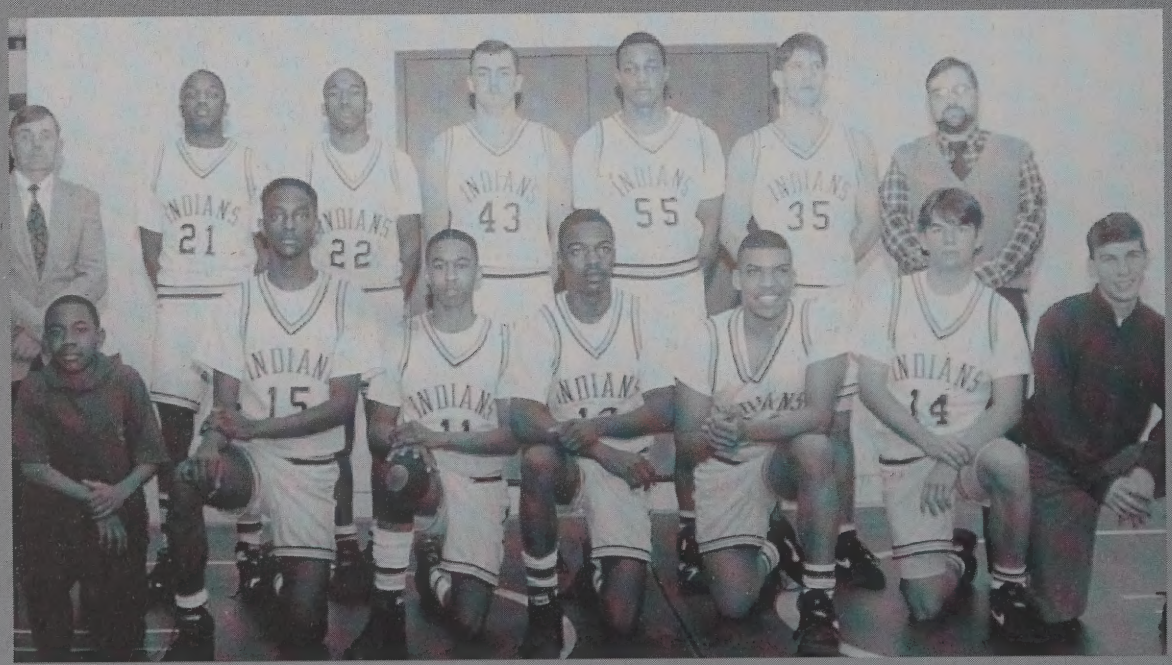
THESE ARE THE DAYS FOR BASKETBALL

For the Northumberland Indian Boy's Basketball Team, the 1993-1994 season was one of excitement for fans, players and coaches. Featuring All region player George Johnson, the Indians specialized in playing games which were usually not decided until the final buzzer. Picked to finish at the bottom of the Northern Neck District, the Indians night after night gave the top teams all they could handle. In addition to Johnson, the Indians received strong efforts from seniors Lamont Basker, Brian Fones, Bryan Jenkins, Elton Williams, Tyler Burgess, and Ronnie Stevens. The underclassmen whose play improved with every game included Marcel Jones, Troy Rice, Justin Jordan, and P. J. Haynie.



Varsity Basketball Team: Coach Jimmy Jett, Marcel Jones, Justin Jordan, Bryan Jenkins, George Johnson, Tyler Burgess, Coach Don Belfield, Manager C.J. Richardson, Ronnie Stephens, Troy Rice, Lamont Basker, P. J. Haynie, Brian Fones, and Manager James Stevens.

THESE ARE THE DAYS FOR VOLLEYBALL

This is the Lady Indians Volleyball Team's season for greatness. Well, that's what they thought anyway. The Lady Indians had their ups and downs. With the Indians starting off with a new head coach Nancy Burgess' first season to show what she can do. Although the Lady Indians ended up with a .500 record and in 5th place for the regular season the team had still not been able to show their potential until the District Tournament when they all let their abilities show. The Lady Indians in the first rounds of the tournament decimated Rappahannock with their unbelievable combinations of sets, bumps, spikes, and powerful serving. This caught on with the Indians to the second round of the tournament where they demolished the undefeated first place team, Middlesex. To the Indians' surprise they were a very close defeat to the Lady Eagles. At this tournament, the Lady Indians proved to be a team that could not be pushed around but also it meant that it was the end of the 1993-1994 Volleyball season.

Additional Achievements included awards for District recognition. Members who made the All-District Academic team were Jessica Jennings and Jackie Stevens for making All-District and to Lisa Stevens, Jessica Jennings, Beverly Dawson, Shannon Stalnaker, and Jenny Stevens for making All-Tournament Team.

The 1994 Varsity Volleyball Team: Clay Jett, Jennifer Swann, Heather Hundley, Jenny Stevens, Jackie Stevens, Shannon Stalnaker, Teresa Heflin, Jennifer Neale, Nancy Burgess, Beverly Dawson, Whitney Lowery, Lisa Stevens, Jessica Jennings, Stephanie Dameron, and Manager David Shope.

Senior Volleyball Players: Lisa Stevens, Whitney Lowery, Stephanie Dameron, Jessica Jennings, and Beverly Dawson.

Jessica and Lisa go for the ball.

Get it girls.

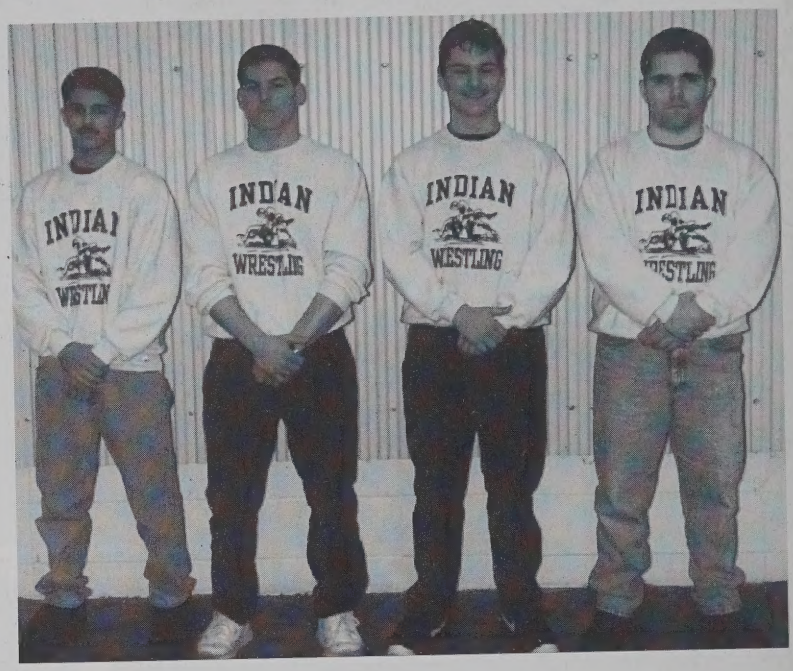
THESE ARE THE DAYS FOR WRESTLING

The wrestling team had something to brag about this year. Troy Sebra was undefeated this season and became the state champion. Four wrestlers went to the state championship this year; Troy Sebra, Marc Sheridan, Ed Gaskins, and Marty Magerko. "Freshman Marty Magerko did a great job and has a very promising future," said Coach, Rob Postupac. With the addition of a promising J.V. team the future looks a little brighter for the N.H.S. wrestling team.



Marty, Troy, Marc, and Ed go to States in Salem.

THESE ARE THE DAYS FOR CHEERLEADING

Under the direction of Gayle Dameron, a new and improved squad blossomed. Hard work and determination began on August 16th. Two days later our girls hosted a two-day Eastern Cheerleading Association Cheering Camp with the Lancaster squads and sponsors attending.

This year's squad became more involved in all school activities by producing numerous signs and posters. They generated overall school spirit, which was a big boost to our student body. Way to go girls!!

The Varsity Cheerleading Squad: Kesha Taylor, Kesha Thomas, Insley Haynie, Donna Smith, Nikki Green, Crystal Rice, Sheri Farmer, Jessica Griffin, and Kelly Burrell.
